WOMAN'S CLUB ELECTS OFFICERS

The new slate of officers for the Rochester Woman's Club was elected at the annual dinner held this year at the Bourne Mill Restaurant, Buzzards Bay. Mrs. Frank T. Howland presided.

New officers who will serve for 1961-62 will be Mrs. Marian Church president; Mrs. Ethel Gary, vice-president; Mrs. Everett Hardy, re-elected corresponding secretary; Mrs. Greenwood Hartley, re-elected treasurer; Mrs. Ward Benner, financial secretary; and Mrs. Henry B. Smith, auditor.

Annual reports were read by the officers. Mrs. Howland reported on the First District Fall Conference, First District Director's meetings during the past year, and Presidents' Guest Meetings at Wareham Monday Club and at the Sandwich Woman's Club.

Nineteen members were present for the dinner and sat at a long table centered with a beautiful arrangement of yellow daffodils. Corsages were presented to incoming and outgoing officers. Mrs. David M. Fearing was in charge of dinner arrangements and reservations.

At the business meeting it was announced that the annual meeting of the State Federation would be held on May 8, 9 and 10 at the New Ocean House in Swampscott, Mass.

It was voted to have the secretary send a letter to the Selectmen asking that a flag be flown at both the Town Hall and the Center Green before Memorial Day.

Mrs. Timothy O'Brien, chairman of the Ray-

mond T. Hartley Scholarship Fund, announced that all applications for the scholarship must be in by May 15. Applicants are to send their letters to Mrs. O'Brien and state the name of the school they plan to attend.

Mrs. Hardy reported that she had started another afghan for the Veterans' Committee and will gladly accept donations of knitted squares or money for this worthy project.

Mrs. Greenwood Hartley and Mrs. Timothy O'Brien are co-chairmen of a food sale which will be held at the Rochester Woman's Club on Saturday, May 13, from two to four in the afternoon. Mrs. Fearing will solicit for this. Mrs. Alphonse Raymond and Mrs. Everett Hardy will be in charge of the white elephant table.

A letter was read from Mrs. Agostino L. Corrado, state chairman of public health, in which names of speakers and available films were listed in an effort to stimulate interest on this subject. A donation was voted to the cancer

drive.

At the end of the annual meeting, the gavel was turned over to Mrs. Church. Mrs. Church has been a member of the club for over twenty-five years and has served in many offices and chairmanships. She presented the outgoing president, Mrs. Howland, with a gift from the members and a warm expression of appreciation for the many hours of service that she has given to the club during her two terms as president.

MARION HEART FUND

Mrs. Joseph Lipsitt, who has been chairman of the Marion Heart Fund Drive for the last two years, reports that the total contributions for Marion collected by the volunteers to date is $879.60. That sum far surpassed last years' contributions. One of the Southeastern Chapter executives of the Massachusetts Heart Association informed Mrs. Lipsitt that this is probably the highest per capita giving in the area. This total does not include the checks which were sent directly to the Heart Association's main office. That will be totaled later.

WHIST PARTY

A whist party to benefit the Rosary Altar Society of St. Anthony's Church, Mattapoisett will be held Tuesday, May 16, at 7:30 P.M. at the Youth Center. Prizes will be awarded and refreshments served. Hostesses are Mrs. Thelma Zychowicz and Mrs. Mary Furtado.

ATTENDED FEDERATION MEETING

Ross and Mrs. Thomas Renahan attended the annual meeting of the Massachusetts State Federation of Women's Clubs held this week, Monday, Tuesday and Wednesday, at the New Ocean House, Swampscott, Mass.

TEACHERS GUESTS AT GRANGE MEETING

Mattapoisett Grange held an open meeting last Thursday night for the purpose of carrying out a pleasant yearly event, that of having as special guests the teachers and personnel of the Mattapoisett Center School.

The welcome was given by the master, Mrs. Mildred LeBaron, and was responded to by the Principal of Center School, Joseph A. Kobak, Jr., who presented the teachers and their wives and husbands. Superintendent and Mrs. Gilbert Bristol were introduced, and pleasurable words were given by Mr. Bristol.

The Lecturer, Mrs. Alfred Spagnoli, presented a most pleasing Style Show under the direction of Mrs. David Frawley of "The Boutique" for the program.

Colen Dhu McAfee was the commentator and presented the models in a pleasing and delightful manner. Beach, sport and casual wear was modeled by the charming Marguerite Pullo, Deidre Rowles, Judy Furnans, Polly Ann Mort, Carol Scott, Suzanna Pickett, Mrs. Harold Cotter and Mrs. David Frawley to music furnished by Mrs. Spagnoli. The show was spontaneously received by the audience.

The hall was attractively decorated for the occasion with plants and flowers and many colorful May Baskets as prizes.

A poem that was written many years ago by the late Alice Ashley was read by the lecturer. The poem was in the form of a will and most

entertaining.

Speaking briefly were Deputy Joseph Bradford of the Massachusetts State Grange and Lucille Ouellette, Pomona representative. Refreshments were served by Mrs. Spagnoli and members of her literary committee.

ATTENDED HONOR SOCIETY CEREMONY

Mr. and Mrs. Lemuel LeBaron of Water Street, Mattapoisett attended the induction ceremony of the Wareham Chapter of the National Honor Society of which their granddaughter, Bette Jane MacKenzie, is a member. Bette's message to the new members was on "Leadership". Their grandson, Robert MacKenzie, took part in the orchestra as one of the saxophone players.

TRAVELING FOOD SALE SUCCESSFUL

The Mattapoisett Juvenile Grange held a successful traveling food sale Saturday. The drivers were Mrs. Dorothy Silva and Mrs. Dorothy Harris. Sales girls were Christine Bence, Kathy Alves, and Joann and Susan Silva.

The next Juvenile Grange meeting will be held Friday night, May 12, when Juvenile Deputy Bertha Harvey will make an official visit to inspect the Grange in general and the "Degree" that will be conferred on 10 candidates by Carlton Vaughan and his officers.

EXPRESSES THANKS

Mrs. Anthony J. Sylvia, chairman, thanks everyone who helped on and contributed to the Cancer Drive in Mattapoisett, and states the total collection to be $622.26.

OLD RELIABLE DOES IT AGAIN

The ancient Redstone, the United States Model T of missiles has proven itself once more. The missile which could have placed the world's first satellite into orbit may well have placed the first man into space. This beautiful operation which placed Alan Shepard, Jr. 115 miles into space was done in the open under the eyes of a watching world. Every step in the long process of development and the final success has been known to everyone. In contrast to this achievement the Soviets claim a victory allegedly accomplished behind a locked vault, in the dark, and measured by an all Soviet referee. Not one shred of conclusive proof has been offered to support their claim. No foreign observers were on hand to see anything with their own eyes. No nation on earth would think of accepting an athletic record based on this kind of flimsy word.

The Communists shot a rocket around the world and they claim a man was aboard. Since the Soviet government is justly famous for its lies, why should this case be an exception. According to them, they invented everything from the steamboat to the telephone. Surely a people with such a lively imagination could also fake a man in space.

NABISCO ALL AMERICAN ASSORTMENT 49¢

What a tremendous joke it will be if history will record that the first man in space was a Soviet, based on the word of a government that would rather lie than tell the truth, even when the truth would do just as well. We believe that this country should face facts squarely. In this case there are no facts to face. It's up to the Soviet Union to prove their claim if they can. On the other hand, if no one has a doubt, why bother. If they get away with this one on faith alone, why not bring on the Soviet moon man next month.

Until proven otherwise, Alan Shepard, Jr. is the world's first space traveler. The United States has developed the first space capsule. Both deserve the admiration due to the courage and dedication that it takes to do a difficult job in the spotlight of world publicity.

PLAY AND TALENT SHOW PRESENTED

The Mattapoisett Center School auditorium was the scene of a play and a talent show last Friday night, proceeds to benefit the ninth grade class trip to Boston on May 17.

The play, "Tommy in the Dark", by Joseph Carleton was presented by the ninth grade under the direction of Mrs. Lee Root, faculty adviser. The scene of the one-act comedy was

MORAL REARMAMENT AN IDEOLOGY

The Mattapoisett Men's Club heard the work of Moral Rearmament (MRA) explained last Tuesday night. Mr. James V. Walmsley and Mr. James E. Brownhill spoke of the principals that are proving an answer to Communist subversion. They explained that Communism is an ideology. To combat Communism you must fight

with a superior ideology. It is not enough, they said, to be anti-Communist. This negative stand doesn't bother the Communist in the slightest. In order to fight him, you must offer a superior means to a definite end. The uncommitted must be given a choice where there is no neutral ground. He must either follow the path to evil or be turned to a path of dynamic good. MRA is a standard by which to live. The principal is this. By changing his own conduct the individual changes those around him. The individual must free his own life of hate, greed and fear, and allow his life to be led by God. In this basicly simple but difficult role, many people have transformed their own lives and caused others to change theirs. People of all religions and

MATHEMATICS — HELP! !

An open letter to Parents in the Mattapoisett-Marion area

One of the most criticised programs in the Nation's schools today concerns Mathematics. Records show that almost all children in the public schools have more difficulty in arithmetic than in any other subject.

In an endeavor to help pupils in this area to catch up in this most important subject, it is proposed to hold a Mathematics Workshop for six weeks during the coming summer on a co-operative basis. Depending on the interest shown by parents, it should be possible to provide individualized instruction within small groups at a cost of between one and two dollars per hour per pupil.

Emphasis would be placed on the understanding of basic mathematical principles, using the newer "Laboratory Method" combined with the best of the traditional methods of demonstration, practice and drill for skills.

If the public response to this letter shows that there is a need for such a project, definite plans will be made and published in about two weeks.

Sincerely,
C. Roger Johnson
Mathematics Teacher at
Sippican School
P.O. Box 187 Mattapoisett Tel. SK 8-3389

I am interested in the proposed MATHEMATICS WORKSHOP for this summer. Please keep me informed when and if plans become definite.

nationalities have joined this group. Movies were shown of the new nations of Africa where MRA is working actively. Europeans have asked Africans for forgiveness for feelings of superiority and for wrongs done by whites in Africa. This has had a dramatic impact on Africans. A former Mau Mau who had been imprisoned and subjected to punishments designed to break his spirit became a completely changed man only after such an apology by a white man. He said, "To change white men is more revolutionary than to cut their throats. Today we have permanently lost our hatred of the British." When

such an about face can be made in Kenya where 3 bloody years of murder and bloodshed tore the country, it is no less than fantastic. Why does it work? It appeals to the best in people. It is the direct opposite of the Communist ideology. Communism starts with greed. Communists promise to divide the land and all the wealth. Hatred is the motivating force to divide the classes and break down the process of law. Fear is the chain that binds the enslaved people after they learn that the promises were lies. Religion is destroyed in order to transfer worship from God to such men as Khrushchev, Castro, Mao among the children who will grow up under this system. This is the pattern every time. When men clear their lives of greed, hate and fear, and strengthen their ties with God they are poor subjects for the Communist. In our country moral decay is constantly fed by the Communist and his dupes. Two top Oscar winners this year were Lizabeth Taylor and Shirley Jones. Both won this honor by portraying prostitutes on the screen. Television features the killer with the fast gun. These and other mass media are educating our youth. To what? To moral degeneration. Every home broken by divorce, every racketeer, profiteer, tax evader, thief is a blow for the hammer and a cut for the sickle. Moral

Rearmament is one answer. It provides much food for thought. That it is proving effective, is proof that man, when given a choice, will choose human dignity and moral values over Communism.

How much power has MRA? How many members live by its code? No one knows. It is not an organization so it has no members. It is simply individuals who believe that the key to freedom is within people, that by changing their lives they influence others to do the same. They believe that either we sacrifice our selfishness to our nation or we sacrifice our nation to our selfishness. This is not a pacifist group. They believe that a strong moral force will increase the strength of the free world and will induce other peoples to choose our path instead of trying to remain neutral or to join the Communist side. They feel that a moral rearmament will combat the trained undercover agent who is working to destroy nations, from within, by subversion.

held at Rochester Memorial School auditorium was viewed by interested townspeople and guests.

Highlight of the exhibit were braided pillbox hats showing the Jacqueline Kennedy influence. Mrs. Paul W. Kuechler, instructor, said she experimented with the making and braiding of the hat and was extremely proud her class had excellent results in fashioning the pillbox hats.

Complimenting the hats were red and white gladioli and carnations set in a low vase. There were pillbox hats in a variety of colors to delight feminine hearts and provided a hat for every ensemble. An orchid hat with tote bag was eye catching as were a child's red and black braided pouch bag with matching beret with a bright red pompom. The pillbox hats varied from muted colors to brilliant hues.

On display were spectacular star braided rugs which are sometimes called five pointed rugs, rectangular shaped rugs, hexagon rugs and country kitchen rugs combining the colors of grey, black and red. Also on display were large oval braided rugs, braided rugs using the five strand method, hit or miss designed rugs and three circle braided rugs.

A captivating rug was one made in the shape of a cat, charcoal in color with a bright red ribbon.

Novel use of braiding was the making of stair treads and stair carpeting. On display were place mats, and a particularly spectacular use of place mats was a two place setting. The place mats were of royal blue with specks of white, with two candles in the same shade
